Trip Introduction

Dhaulagiri Trek to the Dhaulagiri region effectively goes as an undertaking, with the crossing of **French Pass trek Nepal (5,300m)** and the Thapa Pass being incredibly weather prone and challenging. At a point of the trek, we have to stroll through the **snowy** paths and glacier, predominantly around Italian base camp and Dhaulagiri North base camp.

On our way, we enjoy beautiful views on mountain ranges including Dhaulagiri, Thorong peak, Annapurna and the Kali Gandaki River with the world deepest gorge. **Dhaulagiri** region is totally unapproachable from the groups, so the landscapes caught while on path, for example, semi-wild yak herds, mountain sheep in the remote valleys appears to bring you into a **remote area**. Other than the wild nature, we additionally enjoy the **shops, tea houses, and lifestyles of Nepal's ethnic groups** of Gurung, Chhetri, and Magars.

When you book with **Snowy Dream World**, for a tremendous trek to this **remote area**, we start with a drive from Kathmandu to Beni. The main days of the trek are generally strolling through the cultivated fields; however, the trek gets **challenging once we reach at Dobhan**. From ascending through the intense passes to winding the trek at Pokhara via Jomsom, the Dhaulagiri french pass trekking offers all of a characteristic, culture and social beauty.
