Everest Base Camp treks finishes up with a strolling back to Lukla, as the trail leads on a similar route following delicate way past Jorsalle, Benker, Phakding and Ghat towns with a ascend to reach Lukla, where you can appreciate each other's on the last night in Everest region.

Day 11: Fly Lukla to Kathmandu 35minutes.

Early morning you will be taken to Lukla air terminal for short trip to Kathmandu with breathtaking picturesque areal views of white and green mountains.

Day 12: Departure.

Today is the final day of our trip. You will never forget the lifetime experience and those momentum. On that day, our agent will drop you to the Airport 3 hours before your planned flight. We wish for your safe and great flight. Hope See you next time.

Please Note: The cloud and turbulent weather is a regular phenomenon along the Himalayan range. It is thus possible that domestic flights from Kathmandu to/from Lukla may have to be delayed for a few hours or even cancelled for a day or more. Fortunately, this does not happen frequently during the high seasons of March to May or September to November: but you need to plan for this possibility.

As a safeguard, we recommend that you add on a couple of extra days after your trek before you fly from Kathmandu to your onward destination.
