## Trip Introduction

**Ilam Tour**, a hilly region arranged in the far eastern Nepal. This region is completely secured by slopes with the exception of certain pieces of internal Terai. The area secured by charming regular geo-structure, calm atmosphere, low green slopes and rich terrains, has been made prosperous by the diligent work of the ranchers.

**Ilam Tour**, The region is popular for tea and six 'As' – aalu (potato), alaichi (cardamom), aduwaa (ginger), akabare khursani (red round cold), olan (milk) and amliso (a grass from which floor brushes are made, Thysanalaena). This locale is continuing towards present day agrarian business from the customary grain cultivating. Among the six 'As', potato, ginger, cardamom, red round nippy, milk and amliso are sent out to Siliguri and Darjeeling in India though milk is taken to Kathmandu by means of Biratnagar and Tea is traded to outside nations. Ilam is possessed by the general population from different ethnic gatherings and is an interface of various societies and religions. Ilam has energizing normal green slopes secured with tea ranch and woodland, assorted atmosphere, basic living style and houses delineating its very own crafts and one of a kind style.

### Shriantu:

Antu Hill arranged in the furthest east of Ilam, celebrated for survey dawn. The majority of the level place that is known for the Terai, Mirik, Kurseong, Darjeeling alongside delightful tea greenhouses can be seen from this spot.

### Ilam Bazaar:

Ilam Antu danda Sunrise View, It is the region central command of Ilam and is arranged at the height of 1208m. This is the city of houses and sanctuaries that mirrors its own innovation and geo-structure and old tea gardens. The most established tea industrial facility and tea cultivates in Nepal exist here. Little comfortable and financial wooden houses which mirror their inventiveness and rich sculptural convention are the focal point of fascination.

### Maipokhari:

This lake is arranged at the highest point of Maipokhari and Sulubung. It is 188 sq. hec. in zone with a sweep of 750m and it has nine corners. This lake, arranged amidst woodland with rhododendron and magnolia campbelli (chhap) is significant from the perspective of normal view, religious significance and journey to goddess.
