Trip Introduction

Nagarkot to Dhulikhel Tour -Nagarkot is a standout amongst the most picturesque spots just an hour drive from Kathmandu that lies at a rise of 2,195 meters. The spot is the most prominent slope station of Kathmandu, if not of Nepal! Why not? Nagarkot is just 32 kilometers east of Kathmandu, so you can without much of a stretch access the spot in a short drive. Ideal for any open air outdoors or a family excursion, you get the chance to appreciate a standout amongst the most entrancing dawn and nightfalls. Consequently, we would exceedingly prescribe you to remain here medium-term and wake up to the most wonderful dawn over the snow-topped pinnacles of Dhaulagiri in the west to Kanchenjunga in the east. On a crisp morning, Nagarkot offers you with the unhampered perspective on Mighty Everest, and different pinnacles including Manaslu, Ganesh Himal and Langtang. Nagarkot is far beyond only a view-purpose of dawn or nightfalls; it's an incredible spot to loosen up your psyche and body and for once get away from the every day schedule chaotic life.

After an incredible remain at Nagarkot, our trek walks towards another similarly fantastic slope station of 'Dhulikhel'. Dhulikhel is an extraordinary spot to appreciate an amazing perspective on the cold focal Himalayas making a background to the delicate slopes. It is an old Newari exchange station on the way to the Tibetan level and today it is a perfect spot for guests to appreciate indigenous habitat, the neighborhood way of life, old Newari culture and terrific perspectives.
