Trip Introduction

Stream of Gold The **Sunkoshi River Rafting** has been appraised as one of the best ten boating trips on the planet. The Sunkoshi River ascends in Tibet and streams eastwards. In Nepal through the valley between the Mahabhart Lekha (Hills) and the Himalaya. It is likewise in the rundown of must do while in Nepal.

Sunkoshi River Rafting is longest stream trip and the most interesting among the couple of waterways, which stream down from snow-topped mountains. Enormous assaults, warm water, lovely view and incredible outdoors makes this is an exemplary multi-day waterway trip. Taking care of business in medium to high streams. This charming stream campaign

of 9 days will be the feature of your visit to Nepal. Its memory will keep going forever and ever.

Additionally inside a limited capacity to focus 9 days, we come in close contact with Nepal's normal excellence, individuals, culture, untamed life and its waterways, it's basically enchantment, an encounter you will be happy you took. In course to the Chatara you run over numerous ethnic gatherings. Additionally in this excursion you have 250 unique types of orchids to search for. Waterway talks, scoops, flycatcher, divider creepers and bulbuls.

There are various (bounteous) rapids, for example, Meat Grinder, Punch, and High Anxiety and so on. Scaled from 3-8 will in the end rise into the swamp of Terai at Chatara. Following 45-minute drive from Chatara you land in Dharan. Which used to be British Gurkha Army enrolling focus in Nepal for a considerable length of time. Presently you have a few alternatives as you can drive to Biratnagar and take a trip to Kathmandu or drive to Chitwan National Park or Koshi Tappu for an incredible safari trek or drive back to Kathmandu.
