Trip Introduction

Trishuli River Rafting is just 3-3.5 hour's drive from Kathmandu, perfect for any short outings. It likewise perfect for those in transit to Pokhara or Chitwan National Park. Splendidly set along the green slopes, you get the chance to appreciate the view of the little crevasses and a look at the link vehicle making a beeline for the popular Hindu journey site of 'Manakamana'.

Ordinarily delicate **Trishuli River Rafting** is most appropriate for those searching for short excursions, without the difficult rapids, yet truly energizing rapids going through the extremely serene condition.

We at Skyline deal with all your boating needs, for example, overseeing for gear, dealing with fooding and outdoors as well, ensuring the best boating background. Additionally, we are intense about our customer's wellbeing, so the majority of our boating excursions are guided by experienced aides and group who are well-prepared in CPR, emergency treatment and propelled waterway salvage strategies. **Trishuli River Rafting** is an excellent river for those looking for a short river trip, without the challenge of huge rapids, but with some really exciting rapids, with beautiful scenery and a relatively peaceful environment. During the monsoon months the intensity of the rapids increases and attracts a radically different set of rafters. But there are sections for rafting during the monsoon for those who are looking for simply exciting trip! For more information please [CONTACT US](#).
