Trip Introduction

This **Short Ghorepani Poon Hill Trek** 8 days visit is ideal for the individuals who don't wish to stroll for extended periods of time, yet at the same time wish to explore every one of the miracles that a mountain trekking background offers. Most trekking on **Short Ghorepani Poon Hill Trek** visit happen at lower heights and are along these lines less requesting.

The feature of trekking Poonhill is the hypnotizing all surrounding mountain views that you will get on Poonhill of the **Dhaulagiri Mountain Range**, the Annapurna Mountain Range, Mt. Lamjung Himal, Mt. Manaslu, Mt. Ganesh and a few other Himalayan Ranges and peaks. Both in ways here and there from Poonhill you will be surrounded by pleasantly terraced slants, warm villages, lovely paddy fields, and superb culture and customs of the ethnic Gurung and Magar people. What we can guarantee you is that you can't quit telling individuals, back home, about the quality time you'll be spending during this trek. Its just thought to be difficult to get a full happiness regarding both trekking and visit in a brief period. Nepal being a nation with broadened land structures you as a rule need to spend plentiful of your busy days so as to know the root/construction of the nation. There are a few trekking and visit packages that reach out up-to or considerably over 20 days. We have effectively made sense of an approach to give our visitors the fullest of Nepal just with-in 8 days of time. It lead us to devise another visit package that includes both visit and trek in Himalayan Region. Presently, we have Ghandruk Trekking as the best choice of all.

Ghandruk Trekking in Annapurna Region is one of the most limited treks in the region. Be that as it may, it gives you sufficient of motivations to jump profound into trekking. You won't feel preferable in any case over cherishing the minute in this wonderland. While giving some brilliant close-up views on both the hallowed mountain Machhapuchhre(Fishtail) and Annapurna-South it also gives you a living of Nepali-Villagers. An invigorating three days permitting a knowledge into mountain life.

Our destination is the lovely and lavish village of **Ghandruk**, home to the **Annapurna Conservation Area Project**. Here, you get an opportunity to visit the venture to find at direct the preservation work being completed. En route, you will see beautiful views of himalayan biological system. Hypnotizing magnificence of mountains will excite you from the begin till the finish of the trek. On the off chance that you are agonizing over the height, you don't need to. The most highest elevation

of our trek is **3210 meters** however that is just for some time. More often than not we trek underneath 2700 meters height. This height is very common for human fitness.
