Trip Introduction

Everest Base Camp Luxury Trek is ideal for those ready to trek Everest in extreme comfort and luxury. The convenience is agreeable and rich in five star Hoel at Kathmandu and the most lavish hotel and Tea houses in the trekking region.

Despite the fact that the luxury **Everest Base Camp Luxury Trek** course follows the standard EBC route , you will have totally unique experience of extravagance from the earliest starting point of the voyage.

Everest Base Camp Luxury Trek starts with a beautiful trans-Himalayan trip to the door to Khumbu and Everest zone – Lukla Airport. From Lukla, we will begin our trek through Sagarmatha National Park (UNESCO World Natural Site) and make a lofty move to Namche Bazaar: the heartland of Sherpa people group. We keep following the traditional EBC trail that leads us to BC and Kalapatthar. Kalapatthar offers the stunning 360 degree perspective on Himalayas and tempting sunrise over its frame of reference. The returning adventure to Lukla takes 3 days via Pheriche and Monjo route.

This Luxury Lodge Everest Base Camp Trek offers a sumptuous tea house or resort settlement with twin sharing room and en-suite restroom, if accessible. We also offer a hot shower, high temp water pack, portable bed, trekking apparatuses and decision menu arrangement. In like manner, our accomplished and therapeutically prepared trekking pioneer with help guide will go with you with all the security back-up like Oxygen chamber and medication pack.

With customized care, special services, mind boggling group and adaptable sightseeing plan, we guarantee you the best trekking get-away in Everest. Join our carefully planned Everest Base Camp Luxury Trek Package to appreciate the Everest in its everything wonders and find its great trademarks like Khumbu glacier, conspicuous Sherpa culture, assorted geology and Himalayan peaks.

Trekker: 1 Porter

Snowy Dream World's 1 trekker: 1 porter arrangement adds more comfort to your trek. Porter will convey all your substantial stuffs; leaving couple of individual stuffs on your knapsack. You should simply carry individual documents and camera.

Convenience

We trust that the convenience is one of the main consideration that upgrades your general travel involvement. We also trust that an individual who is very far from home, on the off chance that gets the chance to enjoy the comparative serenely as home, at that point he will undoubtedly join to the spot. In most area during Everest Base Camp Trek, we will remain in luxury Hotels offering the best service and we won't confine on your menu like other trekking packages.

The comfortable lodgings are based on best area and all that you arrive is immaculate. Beds are luxurious and the nature of nourishment, sheet, towels, washroom and so forth is special. You really feel like the lord of mountain.

Acclimatization

Beginning from Lukla (2,830m), the Everest Base Camp Trek route covers generally 130km (two way). Everest Base Camp sits at a rise of 5,364m and the beginning stage at Lukla is as of now enough for **altitude sickness**.

To maintain a strategic distance from mountain sickness, slower pace and appropriate acclimatization are the must. 16 days Luxury hold up Everest Base Camp Trek confines day by day height gain and guarantee two evenings acclimatization – one at **Namche Bazaar** and another at **Dingboche**. We trust that it will improve your comfort capacity.
