## Trip Introduction

**Pokhara Mountain Biking Tour** offers a standout amongst the most energizing encounters including its normal excellence, amazing mountain sees, beautiful towns.

Our bike visit attempts to catch its regular excellence, amazing mountain sees, beautiful towns. Likewise we will tenderly move to chains of slopes with terraced fields of rice. Additionally we travel through subtropical timberland and the one of a kind framework of the Himalayas in only 5 days. We will go over suspension and wooden bridges, viewing boats, water Buffalo and lovely people working in the fields. Rolling over physically and technically challenging trails that will make your heart beat high on uphill and hair raising downhill on a super flowy single track through forest, paddy field and along the river. We will ride through villages, Lakeshores, riverbed and beautiful Phewa Lakeside on the round trip. We will take you the Best Mountain biking on our secret trails that other riders may have rarely visited.

We begin our experience by biking to the Sarangkot, a mainstream place of interest for the dusk and dawn and end the excursion and in five days trip. We spread practically all pieces of **Pokhara Mountain Biking Tour** including Hemja, Tibetan Refugees Camp, British Gorkha's Camp, Ghachok and Lhachok, Davis Fall, Kristi danda, Nirmal Pokhari, World Peace Pagoda, Begnas Lake and the famous spot of the Royal Trek – Kalikasthan.g the way. Likewise during mountain biking we will make a beeline for the woodland and goes through the wilderness, cascades, waterways, town and some more. Also we will take medical aid.
